

2016 Rule Changes – Black Powder

17.5 Courses of Fire for which National Records are recognized-

Note: National Black Powder Target Rifle Records are maintained for scores fired over the following courses for “Open,” “Woman,” “Junior,” “Senior,” “Muzzle Loader,” “Scope,” “Tollofson,” categories fired on the targets indicated. “Black Powder Military Rifle” records will be recognized for Black Powder Military Rifle (Rule 3.2) and Rifle (Rule 3.1) records if they supersede the current record in either of the categories. In order for records to be recognized promptly, National Record Reporting forms must be submitted to NRA by the Statistical Officer of the tournament in which they were fired, after being certified by the Jury or Referee. National Record Reporting forms are mailed to sponsors of NRA Registered Tournaments by NRA Headquarters.
